

Bangor University Guides and Scouts

Club Report (March – July)

This term saw a few challenges for BUGS including the final preparations of the Ball and the demolition of our Student Union building.

After the rally in Southampton the Ugly BUGS Ball was getting close and things were really hotting up for the Ball Committee but this did give them a good excuse to organise some interesting socials, including cocktail tasting and decoration producing with marshmallows and chocolate fingers! I think it's agreed that they did a fantastic job and all that hard work paid off with a good time had by all who attended.

Shortly after the BUGS AGM we had another excuse to consume large quantities of food and drink at our handover meal, where we thanked the previous committee for their hard work and successes and wished them well in their new roles. The mirth was short lived, however, as we prepared for our Student Union building to be demolished and the SU moved. The greatest task was to collect, inventory, pack and move all of our equipment ready for the move in less than a week! Soon everyone was caked in dust, wrapped up in parcel tape and up to our eyes in cardboard boxes and it was all ready to be shipped off on time.

We did see the numbers at our meetings dwindle slightly towards the end of the term, but with coursework deadlines and exams that was to be expected. BUGS are now looking forward to the SSAGO Wales Summer Camp and the next year with the ambitions of increasing their numbers of active members and some adventurous socials.
