

### Club report Summer 2010

**Club:** Sheffield Hallam  
**SSAGO Rep:** James

- A night at the local pub was in order to plan the next few gatherings with a pub quiz night and a club night on the agenda, with a possible sleep over on the cards.
- We had a good attendance for Ball from new and current members and all had a good time entertaining our selves while travelling down to wales. Pre drinks while watching Harry Potter on ITV was a bonus.
- Unfortunately due to quite a few members being in there last year we were only able to organise a few breaks from revision and deadlines with some nights down to the students union in order to catch up with everyone.
