

PHOTO THAT BEST REPRESENTS YOUR YEAR:

Due to several problems, this is an annual report and we have loads of photos, so here are a few of the best ones.

Bowling trip, October 2009

Introductory meal, September 2009

Club report Summer 2010

Club: Tyneside Universities Guides and Scouts (TUGS)

SSAGO Rep:

What have you been up to this year?

Especially any particularly successful or disastrous socials/events.

We had a wide variety of events:

- A meal to meet new members, our largest turn out to an event ever, with a massive 18 people attending;
- Bowling, also successful, and the free biscuits were well received too;
- A Christmas meal, also quite well attended and a bit smarter than the usual TUGS event thanks to a good deal on food;
- climbing with climbing centre induction which has encouraged some members to go back again;
- A day trip to Edinburgh, less of a group event due to varying interests but an enjoyable trip out of the city in the sunshine;
- And a summer camp in June at Hawkthirst Scout Activity Centre, next to Kielder water. A 7 people camp with enough time to relax, a few fun activities, and lots of late nights around the camp fire. Peaceful, isolated, and full of midges!

The only disaster was our ice skating trip when no one turned up, then frustrated the exec by asking when we were going ice skating.

Highlights and achievement:

Any particularly proud achievements wither you won anything at your societies awards night or an increase in membership let us know how your SSAGO clubs highlights.

We have doubled our number of members from last year, and have found a new committee to carry on the society. It seemed highly unlikely at one point that we would have enough members to continue, but we have found 3 people who care enough about the society to take it over. We have enough members to survive for another year, and hopefully the society will continue to grow.

Future plans:

What is you club up to this summer? What exciting plans do you have to attract freshers? We hope to launch another good year with an attractive fresher's fair table and a new range of activities. The new exec plan to arrange another camp next summer to establish a tradition of a TUGS summer camp, and maybe even a winter trip away too.

Climbing, October 2009

TUGS camp, June 2010
