Club report Summer 2010

Club: Warwick SSAGO
SSAGO Rep: David Kaye?

What have you been up to this term?

Especially any particularly successful or disastrous socials/events.

After the Southampton rally the club elections were held, (accompanied by a trip to the Warwick beer and Ale festival!) Most positions were filled, some contended, and there is a healthy mix of more experienced ssago members and eager freshers now making decisions on a lively exec with frequent meetings.

This term we have held a number of socials, many in conjunction with the local network group. These have included BBQs and pubcrawls. One notable social was our day Geocaching around Warwick campus and the surrounding woodland.

Highlights and achievement:

Any particularly proud achievements wither you won anything at your societies awards night or an increase in membership let us know how your SSAGO clubs highlights.

A highlight since the last rally was the attendance at festival 2010; by some ssago members; held at Rough Close, Coventry – just a couple of miles away.

Future plans:

What is you club up to this summer? What exciting plans do you have to attract freshers?

Next term we will be starting a fresh program of activities in order to increase membership for the next year. We will start meeting regularly on a weekly basis, basing the meetings on traditional and nostalgic scout and guide meeting activities, such as working towards 'badge' awards. We hope this will be a fun, relaxed way to bring the joys of our youth back to ssago!

We are all looking forward to the Cambridge rally.
