

AUSSAGS Club report Autumn 2010

Club: **Aberdeen Universities Student Scout
And Guide Society**
SSAGO Rep: **Aurelie Verbreken**

What have you been up to this term?

We have had many successful nights, one of the best was a campfire down at the beach. We also had a successful fresher's camp though were unaware of the paperwork involvement. We had a varied program at camp and allowed the freshers to decide what they wanted to do. We had a program planned but it was very flexible. We had a crate climbing session which was successful as no one had done it before. Our one fail was the pub crawl which only 2 people turned up to. This is very strange but we feel it was in the wrong week as most people were stressed with work so have kept the idea to use in the future.

Highlights and achievement:

Not a huge increase in members as we lost a few old faithfuls at the end of last term. But we received 6 new members from Fresher's Fayre's. Our main notable achievement is we have one very keen Robert Gordons University member again which has been lacking for some years from what I understand.

Future plans:

We plan to have a bring a bit Christmas meal. And maybe an end of term sleepover.

PHOTO THAT BEST REPRESENTS YOUR TERM:

Trying new activities. No one had been crate climbing before now. It is also a great way of getting to know each other.
