

BANGOR UNIVERSITY GUIDES AND SCOUTS

CLUB REPORT (SEPTEMBER – NOVEMBER)

After the sad loss of some (but thankfully not all!) of our most charismatic members, BUGS saw the return of many of its previous members and the recruitment of a number committed and enthusiastic new members after our successful fresher's fair at Serendipity this year.

We have jumped straight into developing the activities and events BUGS host and attend, with our socials including murder mysteries, the obligatory and ever popular trip to the fun centre and we've been getting out and about with locals too. BUGS have hosted a Hallowe'en Disco and a Jamboree on the Air and Internet station for the Guides and Scouts in the area and we also showed our faces at the remembrance parade in Bangor.

Whilst striving to continue to be the best society Bangor SU has to offer we have been experimenting with what else we can provide our members and are looking to give more structured support for the Duke of Edinburgh Award, particularly the expedition requirements by working with the Guide and Scout DofE supervisors.

We continue to remain stable and will be focusing on fundraising to support a better social and eventful society.

Niall Pettitt

Chair and SSAGO Rep, Bangor University Guides and Scouts
