What have you been up to this term?

There has been a big push to increase membership this year. It all started with a bell tent at Fresher's Fair. It certainly stood out amongst the plastic gazebos and generated a lot of interest from Scouts, Guides and the wider community. This was followed up by an exciting term of events. There's been the usual mix of lunches, punting, big service event and outdoors activities. We also found time to brew a CUSAGC 'Scoutish Ale' which should be ready for mass consumption next term.

Highlights and achievement:

Marathon, our annual event hike for Explorers, Rangers and Leaders, happened again this term and was a huge success. Former, current and fresh members all came together to lend a hand and have a lot of fun in the process.

Progressive meal also made a return this term with CUSAGC touring the kitchens of it's members for a four course meal. Mention should also be made of the first punt lunch of the new year. With a dozen freshers wanting to experience this traditional CUSAGC experience we had to assemble a small flotilla of three punts to get them all on the river. We hope that this enthusiasm will endure the Cambridge academic year.

Future plans:

CUSAGC is going to the Peak District for a week of walking, climbing, caving and all round fun over the New Years break. It's looking like it's going to be the return of the adventurous CUSAGC with many more trips and outdoor activities planned for the coming year.
