Club report Autumn 2010

Club: LUUSAG
SSAGO Rep: Helen Miles

What have you been up to this term?

Especially any particularly successful or disastrous socials/events.
LUUSAG have been busy as usual this term. We started off introducing our freshers with bowling and silly games and have since been up to all sorts of tricks including film nights, a cake and craft night, an Ilkley Moor hike, a trip to the Royal Armouries, and nights out. However LUUSAG have since banned themselves from going out on a Thursday because it just gets too complicated! We had fun at Yorkshire Freshers Camp run by Sheffield StinGS at Hesley Wood. A really good event this term was holding an alter fire one evening on campus. Although it was difficult to persuade security it was well worth the effort as we saw a lot of freshers all at once, something we had been struggling to do, as people could just drop by as and when, and also raised our profile on campus as people were intrigued by what we were doing.

Highlights and achievement:

Any particularly proud achievements or an increase in membership let us know how your SSAGO clubs highlights.
Guiding members of LUUSAG attended the Leeds County Handover event. As well as meeting Liz Burnley, and not disgracing ourselves too much with the balloons, we were very proud to witness one of our members Lauren being presented with her Queen's Guide Award by the Chief Guide herself, a very special event.

Future plans:

What is you club up to this term? What exciting plans do you have for christmas?
LUUSAG are all getting excited by our Christmas party plans, we are planning a sleepover and party all in one of our favourite places, the New Inn. Further into the future plans are already going ahead for summer camp 2011 which is looking to be even more exciting than lasts years!
