

**Club report Autumn 2010**  
**Club: SLUGS – Students of Leicester**  
**Universities Guides and Scouts**  
**SSAGO Rep: Varies, usually Simon Walmsley**

What have you been up to this term?

*Fireworks night was particularly successful as we made it through the entire evening without seriously maiming anyone, however tempted we might have been after Farran had us standing around in the cold while he searched for his lost phone.  
Riley's Pool Club gave us free use of a few tables one evening because we asked nicely.  
Hallowe'en saw us carving pumpkins rather enthusiastically, for weeks afterward we were eating pumpkin soup, pumpkin pie, pumpkin bread... hell, we nearly turned into bloody pumpkins!  
Special mention to Ruth who made an outstanding graveyard cake.*

Highlights and achievement:

*Membership hasn't increased this year, but we believe in quality over quantity.  
We have acquired a small group of freshers who attend the meetings regularly and are looking forward to joining us on subsequent rallies. Unfortunately couldn't come to Silly Hat due to an orchestra performance which Simon ought to have been at but skived to come sleep in a field.*

Future plans:

*We have our epic annual Christmas meal, probably at local hero this year. And another bar crawl where we'll party like its 1899!*
