

### Club report Autumn 2010

**Club:** Swansea SSWIGS  
**SSAGO Rep:** Kate Stacey

What have you been up to this term?

SSWIGS have had a great start to the term. With a big push at fresher's fair we had more than 30 new fresher's sign up. Our weekly socials have been as varied and well planned as ever. With the theme of our first socials being getting to know each other we have enjoyed socials like bowling and a evening BBQ. A new feature to SSWIGS has been the introduction of our coffee mornings. Which have proven popular with both our new and old members, especially those who cannot make our evening socials.

Highlights and achievement:

One big highlight for us was our Fresher's camp that took place at the end of October. We visited Abercraf in the Swansea valley, where we enjoyed a hike in the Brecon Beacons taking in the beautiful surroundings. We also visited to dan y ogor Show caves where some of our members got a little scared by the dinosaurs.

The SSWIGS also had a lot to celebrate when their beloved mascot Derek received Special Services award from Glamorgan West Guiding. He received the award for all the hard work so many SSWIGS put in helping out at centenary events over the year, especially the Vision event on the 20<sup>th</sup> of October.

Future plans:

We have a lot planned for the next few weeks, with many different socials including a pub crawl and sweet making. We also have a few festive socials planned. They including our annual ball with other Swansea societies a Christmas Craft night and trip to the Waterfront Winterland to try our hand at ice skating and go for a ride on the Ferris wheel.
