

Bangor University Guides & Scouts

Club Report – Summer/Autumn 2014

This summer has been very exciting for our members. We have attended several camps and adventures across Europe, not to mention winning Bangor Student Union's Most Improved Society Award for our committee's super hard work throughout the year to build us up from the two members we had at the beginning of the year.

Soon after Nerd Rally we attended the last ever Sun Run – entering 2 teams, one for the full Sun Run & one to enjoy the stroll for the Moon Run! We thoroughly enjoyed the celebrations late into the night and Penny was

glad she only had a 15 minute drive home to Cheltenham!

After the Sun Run, we headed in different directions, 2 BUGS heading straight on to help with the build week for Gilwell 24, many members attending Jamboree preparation camps, and our mascot Boris Junior enjoyed a week in Switzerland – climbing the Jungfrauoch (well, in a train!) and exploring countless waterfalls and gorges.

On our return to Bangor in September, we enjoyed a brilliant turnout to Serendipity, our biannual Fresher's Fair. With plenty of new members signing up to join us – a promising start to the year.

We then kicked our year off, first with our usual Find a Role night where local leaders and commissioners come in to the university to 'speed-date' the new members looking for volunteer roles in the area. After this we enjoyed a quiz night, a trip to the fair in Menai Bridge and of course our Fresher's camp.

This year we stayed at Felin Bach Guide campsite in Caernarfon – the venue for our Disco Rally next June! We spent the weekend enjoying 'I'm a Celeb' themed activities such as searching for stars in boxes of gross food and syrup getting everywhere during the 'frightful facials' activity!

We've recently enjoyed an evening themed around remembrance and donating to the Scouting Memorial Project, as well as a puzzle themed social in preparation for Loughborough Puzzle Rally.

We're looking forward to a great rest of our year, especially our Christmas sleepover!
