Club Activity

We have continued to do online craft sessions, quizzes and other games. We have also been able to do things in person at last, including minigolf and hikes. We were even able to do summer camp, although it was a closer to bath than had initially been hoped for. On that we were able to do yet more hikes, visit a trampoline park and do punting.

Highlight

Summer camp.

Freshers

We will aim to have a stand for the freshers fair, but don't know anything beyond that.

Summer Plans

We have already had our summer camp, and for those who have remained in bath, there are plans to do SSAGO goes to spoons as a group. Other things that haven't yet been planned may still go ahead.

Club Activity

We have mostly run online socials, from baking to 'Would I Lie to You' and a pub quiz. We also ran a Taskmaster activity for Durham Scouts' latest Camp at Home. We ran an in person treasure hunt around Durham, completing the Pawprint Durham Trail badge in the process.

Highlight

Our highlight of the year was our joint competition with NUSSAGG, "DUSAGG vs NUSSAGG Take a Hike". Both clubs competed to log the highest time on Strava, with weekly update posts, while raising money for The Trussell Trust. In total we raised £285, and added to our evidence of being the best SSAGO club in the north east!

Freshers

Although we do not have any dates confirmed, we will be at the freshers fair for Durham students. There will be a range of activities planned, from socials to volunteering and of course Viking Rally!

Summer Plans

DUSAGG will be camping for a few days near Durham at the end of August. Our members will also be participating in SSAGO goes to Spoons, some DUSAGG meetings, and possible other camps such as the Indie camp or SAGGA camps.

Awards

DUSAGG was short listed for the Student Group of the Year award by Durham Students Union, and Lulu the Goat said we were the best SSAGO club in the north east!

Club Activity

This term we continued having weekly meetings on a Thursday evening, though around exam time they were relaxed drop in and chat sessions rather than planned activities. We also had a number of meetings finishing up the planning of the SSAGOes sustainable badge which we created and ran for the whole of June with 4 live workshops.

Highlight

Although there were a range of individual highlights for members, such as the life changing discovery of mug cakes, for many the main highlight of a week was Thursday evenings from 7pm onwards! SSAGO meetings have been a rare and much needed opportunity, during the last year, to have some fun and talk to other people outside of our households/families!!

Freshers

This year we will be attending the University of Glasgow's Freshers fair (renamed Welcome fair!). We are currently awaiting to see what day we are given to attend, 14th or 15th of September. We have not currently planned any Fresher socials or activities but will closer to the time.

Summer Plans

Since our SSAGOes sustainable badge finished at the end of June we have no other summer activities planned.

Club Activity

We had a few chilled games socials as exams were happening, and also had some walks through Jesmond Dene and to the coast, was great to catch up properly with people and to meet our first years!

Highlight

We really enjoyed countdown and taskmaster, and also the in-person events of course!

Freshers

As everything is so unknown, I don't think anything has been planned yet, but we hand over to the new committee on the 1st August so all could change soon!

Summer Plans

There was the possibility of doing something, but other than SSAGO goes to spoons, we haven't done anything yet.

Awards

We received our Bronze Inclusivity award, and also applied for silver, but apparently the student union didn't think a bunch of Scouts and Guides were volunteering enough, as we didn't manage to do anything as one group.

Club Activity

This term has been fairly relaxed due to the exam season however we have still been able to meet over zoom - with one meeting in person to celebrate the end of the year
We were also able to meet in person to have a new society photo taken.

Highlight

Being able to do a couple of events in person both at the start and end of the year.

Summer Plans

Olympic themed challenges via social media
