Maegan Bradley (Social Secretary)  
Maisie Edwards (Treasurer)

### Club Activity

With restrictions, it hasn't exactly been ideal, but we've done our best to still have a good time! We've had quizzes, scavenger hunts and we've even managed to fit in a few face to face meetings (before lockdowns started once more). We've got a picnic planned for our handover meal and we very much look forward to a better year next year!

### Looking Forward

We're hoping to have some de-stressing sessions during exams (like wide games) but most of our members enjoy meeting up for a chat!

### Handover

We're having our handover meal on the 8/5/2021 so that we have plenty of time to plan for the coming year and maybe even have some sort of camp!

Ian Pearse (Scout Rep)  
Isobel Ebdon (Guide Rep)  
James Mitchell (Quartermaster)  
Leah Firmstone (Secretary)  
Matthew Ratcliff (Chair)  
Ryan Prydderch (SSAGO Rep)

### Club Activity

We have hosted a few online games nights, including a virtual monopoly run. There has been a bake-off and crafting night as well. We ran a our second murder mystery night and had a collaboration with another society to do some pioneering with pencils.

### Looking Forward

Our plan at the moment is to add face-to-face meetings to the schedule as and when they seem appropriate, simply based on any ideas we have at the time. Currently we are considering the use of the nearby outdoor mini golf course.

## Handover

Most of the new committee members are selected. If any aren't filled in bi-elections, then those roles can be split amongst the rest of committee. The change over occurs either end of June or sometime July officially.

## Club Activity

We've continued to meet three times a week for a chill chat, meeting and social. We've done (for example) a murder mystery, taskmaster, house of games, m/cocktail making, and geoguessr (using the SSAGO maps). One of our members also ran a disability awareness meeting for us. We also had members attending Rally and the anniversary weekend. Our programme is on our website here: <https://bhamssago.wordpress.com/2021-spring/>.

## Looking Forward

The Guild have said we are allowed to go for hikes, as long as we social distance/are in groups of 6/wear masks, so we're hoping to make it up to Lickey Hills or maybe have a picnic.

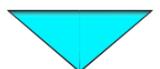

## Handover

We elected a new committee, with more competition for roles than we've had in years. Our new committee will run jointly with the current committee for the rest of the year, then take over properly for the summer holidays or autumn term.

TEA (Totally Extraneous Acronym), a weekly mid-Thursday afternoon social session was popular among those who attended; our other activities including Skribbl, Codenames, Jackbox, and an online scavenger hunt were about as successful as could be expected in current circumstances. Annual Dinner still went ahead virtually, attempts at maintaining black tie standards were made. A screenshot from Annual Dinner has been attached.

## Picture

## Looking Forward

We have tentative plans for some outside activities with the possibility of some members participating remotely, and possibly an indoor escape room, restrictions permitting.

## Handover

### Club Activity

DUGS have been undertaking weekly virtual meetings including chilled socials, board games and a very successful Masterchef competition. We have also had increasingly improving membership turnout at both weekly meetings and national events.

### Looking Forward

The Exec are currently in the process of planning for the next term.

### Handover

We have elected a treasurer and chair for the next academic year, and are in the process of finding our next secretary. The Planned handover date is the 30th of June.

## Club Activity

We've had lots of Virtual events such as escape rooms, online games, challenge badge evenings etc. Our Social Sec also ran a great Murder Mystery evening which was very fun and well attended. We've also done a lot more (virtually) for local Scouts and Guides. We ran a Thinking Day activity evening for the local Brownies and planned and ran a TaskMaster activity for Durham County Scouts Camp at Home 4. We've also gotten involved with GRYR and we had a joint social with NUSSAGG. After term ended we also held a 23hr Virtual camp with NUSSAGG which was fun! Throughout term we've also ran a hiking competition against NUSSAGG while raising money for charity. We also had a DUSAGG team entered into the iScout competition. We also technically had an end of term meal where we used the SSAGO secret Santa system where we ordered someone else's takeaway! We've had lots of engagement and involvement throughout this term as well! We've also had goats join our zoom calls! Our social sec also ran a scavenger hunt throughout the term which lots of our members took part in.

## Looking Forward

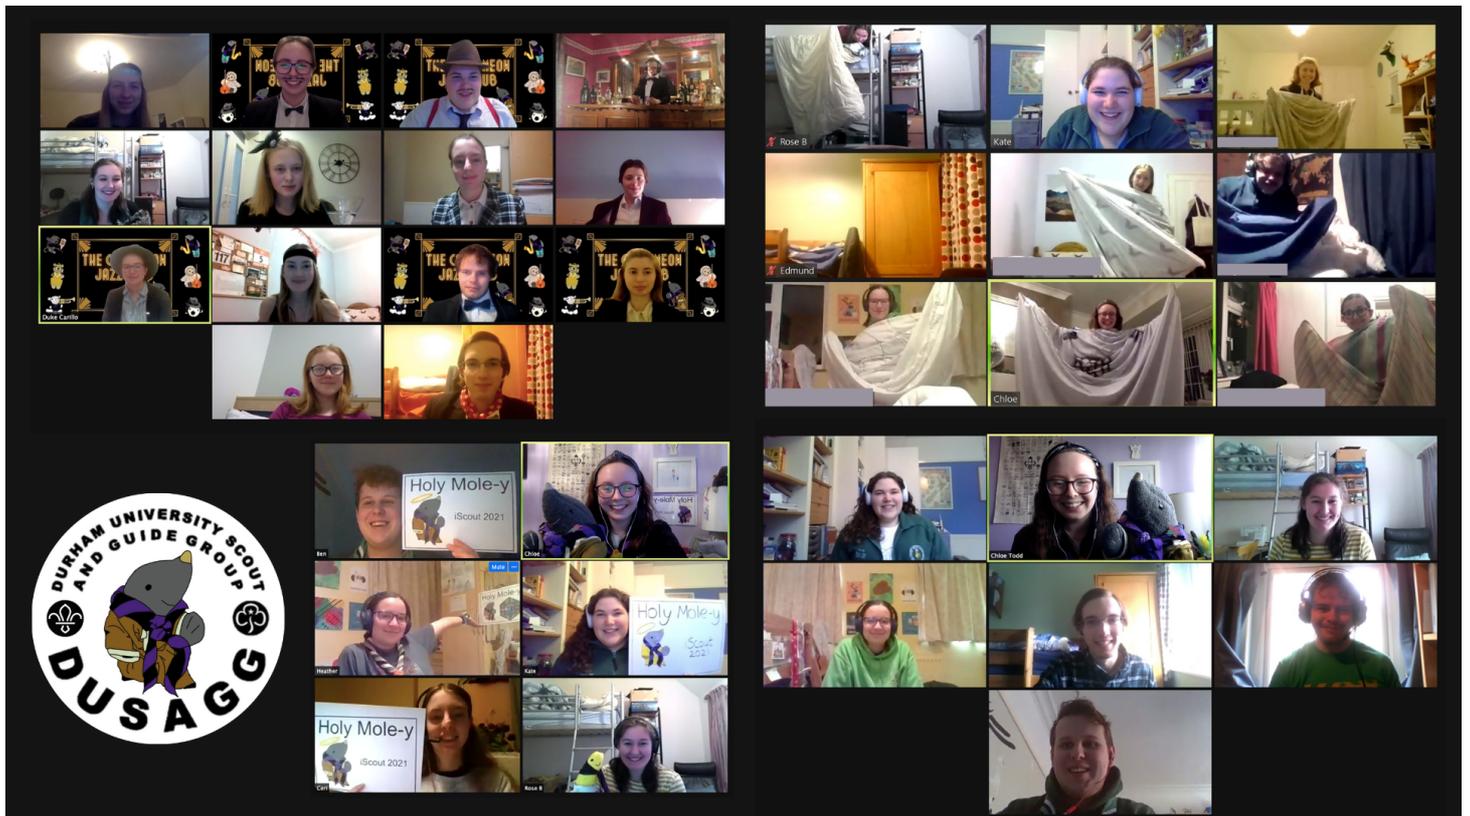

Yes, we are looking at the possibility of face to face activities later this term. It is still early in the planning process but hopefully we will be able to meet in person. Some activities we have suggested are Challenge Badges and Hikes.

Despite hopefully holding in person events, we will still take a blended approach for those unable to attend the in person sessions, and provide information on any activities we do in person if it is of interest to other members.

## Handover

We held our AGM at the end of Epiphany term. This year we've decided to have a joint exec of the outgoing and incoming committee members because of exam season and the work required to run in-person meetings.

### Club Activity

We've been busy this term, meeting almost every Thursday!

We started January with a Taskmaster activity for Refreshers, and then we celebrated Burns night by doing activities for the Highland badge, such as cooking haggis! In February, we started preparing the SSAGO's sustainable challenge, which hopefully, you would've heard about before this report is up! We also participated in a paint along hosted by Moira, our amazing Secretary. For Thinking Day we did several activities, such as writing letters to elderly scouts and guides, and inviting them to our Thinking Day zoom meeting to chat about our Scouting and Guiding experiences. Lastly, in March and April, we've been finalising the details for the sustainable challenge, we had a skillshare session where we learned BSL and how to identify plants, and we hosted a Scottish clubs games night!

### Picture

### Looking Forward

We don't know if we'll do in-person events after exams, but we're certainly looking forward to hiking and exploring Glasgow together next year!

### Handover

Elections will take place in early June and we expect the handover to be after the elections.

### Support

## Greenwich and Kent SSAGO Committee

James Farquharson (Treasurer)  
Kieran Patel (Secretary)  
Luke Arscott (Chair)

## Club Activity

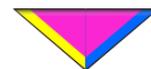

This term the group has not been up to much due to deadlines and lower than hoped engagement from the student body. This is likely due to everything being shifted online.

## Looking Forward

Due to uncertainties in restrictions, nothing has been planned yet. It is hoped that before the summer holiday we can do an outdoor adventurous activity to gain some members to take over the society. We are fortunate to be close to a watersports centre and know the SU will support our decision to run something when the time comes.

## Handover

We have not been successful in electing a new committee due to low uptake this year. Conversations with the SU are underway to see what we can do to keep GreKSAG going as the majority of committee are graduating. It is likely that we will be on a list of societies with no committees and if the SU can't fill the required roles then it will unfortunately be de-ratified.

## Club Activity

This year, the majority of our evenings have been online (zoom). We have attempted to go through all of the scout and guide badges and have had loads of fun in the process. One evening, we did the communications badge and learnt how use the phonetic alphabet and morse code and one evening we did the artist badge making funny drawings of ourselves using the whiteboard on zoom. We've played many online games such monopoly and uno.

## Looking Forward

We have already had a campfire event at our local campsite with social distancing and with a group of six having food and playing games. We intend to have more events during the spring/ summer as the majority of the members are graduating this year.

## Handover

We have not had any new members this year and it is very unlikely we are going to get a new committee :(

## Club Activity

We have been having regular Zoom meetings to get to know each other and have some fun! It has been fantastic to see new and old Indie members outside of national events. We have also had a bit of a rebrand - we have lovely new neckers and an amazing badge designed by Amelia.

This term we have played games online, made chocolate nests for Easter and are looking forward to more meetings in the future. We are even beginning to plan a summer camp for July/August if the Covid restrictions are lifted.

As always, Indie members are continuing to get stuck in with all sorts of online activities like Badges at Home, Get Active, and loads more. Our next step is getting as many members to Womball and Viking Rally as possible!

### Club Activity

All our socials over the last term have been held online. We've ran a wide range of online socials from our Mascot's 18th birthday party to a murder mystery night. We've ran a social every Tuesday evening throughout term, including a pirate game night, family fortunes and our very own LSSAGO civil war with the club split into groups competing against each other. We've also ran some extra weekend events including our alumni sleepover where we got to catch up with some old members on zoom. Lots of our members also attended Green rally Yellow rally which was very much enjoyed. Later on last term we also had our AGM where our new exec for the 2021-2022 academic year were elected.

### Looking Forward

We held our first in person social on Tuesday 4th May with members meeting in groups of six to comply with the rule of six. We have two further in person socials planned for later on in term, after May 17th so we should hopefully be able to meet all together outside, whilst following social distancing guidelines.

### Handover

We have been running weekly meetings, many of which are associated with specific events such as St. Patrick's day, St. David's day, international women's day, and Easter. We have also planned for the next semester. As a committee we have also arranged hoodies for our group and getting neckers to members who have not received theirs yet. We have also sold badges. Currently we are looking into making custom badges for our group as we won some money from our SU for being the society with the biggest turnout in SU elections.

## Looking Forward

Yes! We are planning a picnic to meet and invest our members at the end of May.

## Club Activity

Since the last report we've been continuing weekly online meetings that are as varied as we can make them, from a relaxed night of board games to a competitive Dragon's Den looking to design a new badge - with the winning team getting to run a session for everyone to earn their badge next week. We've also recently built strong links with the rest of SSAGO, we've gained 21 new accounts on The Guild's membership system from 9 different universities at the last count, and even had 'Bjørn TheBear' run (unsuccessfully, since he's apparently ineligible) for Society President. It's been great to see so many people take advantage of the poorly designed membership system and being outnumbered on our own Zoom call over Easter while designing badges was definitely a highlight.

## Looking Forward

Unfortunately, we don't have any real plans to return to face-to-face. The Guild is being understandably strict about this, so while we're hoping we might be able to get out together for a walk or something similar before the end of the year, it's currently far from certain anything will be able to happen.

## Handover

New committee should hopefully be announced 29th April, with the current committee's final meeting on 13th May and handover meeting not long after that.

## Club Activity

The last term has once again seen SCOGUI meeting virtual via MS teams due to the national lockdown. We have however still managed to meet every Tuesday evening, with activities including baking, soap carving, a quiz and yoga.

The highlight of the term was however our annual night hike, which also ran virtually. This was very different from previous years, but with the support of the local district and all of the committee we were able to run a very successful event, focusing on the skills used in night hike each year. Activities for this included map reading, a scavenger hunt, knot skills, building a tower from stationary, creating a model of Beacon hill from bread and a quiz on crisps, as well as much more. During the closing ceremony we were also very happy to welcome our Vice Chancellor, Professor Bob Allison, as our speaker, which gave us a chance to thank him for the support he has given SCOGUI and local Scouts and Guides over the years. A few weeks later we were also able to present him with a SCOGUI necker and badges as a thank you for his support, ahead of him stepping down as Vice Chancellor later this year.

## Looking Forward

We are hoping to be able to resume face to face meetings later this term, initially looking at activities such as a hike and campfire as these are easy to organise for small groups and to run with social distancing in place. Once we can resume face to face we hope that we can continue with this most weeks rather than running virtually, although this will depend on what restrictions are in place as to how much we can do.

## Handover

yes, we elect and hand over on a similar time frame to national SSAGO so as we can be aligned with SSAGO as a whole.

## Club Activity

We have organised weekly virtual events, mostly adaptations of game shows such as pointless and the chase, and we have also collaborated on some activities with DUSAGG. Currently we are in the midst of DUSAGG and NUSSAGG Take a Hike, where we are competing between the clubs to walk, run, and cycle for the longest time in order to raise money for the Trussell Trust, whilst trying to get as far round a virtual map of England as possible, with checkpoints along the way. So far we have earned over £200 and are hoping that this will keep growing!

## Looking Forward

We are hoping that we can hold some in person events soon, and there seems to be interest so far for this. We do of course have to keep an eye on our union's restrictions which may change our plans but we will be ready for this. Even if it means that we have unexpected virtual events, it is coming up to exam season so it wouldn't be too much of an issue, as we can hold some relaxed games nights with things like Skribbl and Jackbox. We are also hoping to promote Network more to our club and organise some County Network events as ACCs of Northumberland, with which our members can of course take part.

## Handover

Not yet, we are just starting our pre-AGM discussions before holding our AGM, but our committee does not hand over until the end of July.

### Club Activity

We have had weekly meetings via zoom with consistently high attendance. We started in January with nothing special planned, just simple chats and games to let people have a break from exams and revision. In February we had evenings themed around an escape room, Chinese New year (we made ox lanterns and had a quiz), Pancake day (made pancakes, then had a quiz and bingo), and Pointless ( all three teams got plenty of pointless answers, and the team that went into the finale won the jackpot!). In March, we had evenings themed around a murder mystery (was also World Book Day so we encouraged dressing up, and had costumes such as

Dorothy, Miss Trunchball, Jekyll and Hyde, and Poirot), badge night (we joined with UonSignSoc to complete the Cubs Disability Awareness badge), a celebration of SNoGS turning (what we think is) 70, and Easter (made hot chocolate bombs and did a quiz).

This term we have also launched a wellbeing initiative of "families" where 5 or 6 members are in a separate group chat to try and encourage people to chat more and inspire teamwork. We have also been giving family points to winners of quizzes, bingo, Pointless, and any other challenges that have been set.

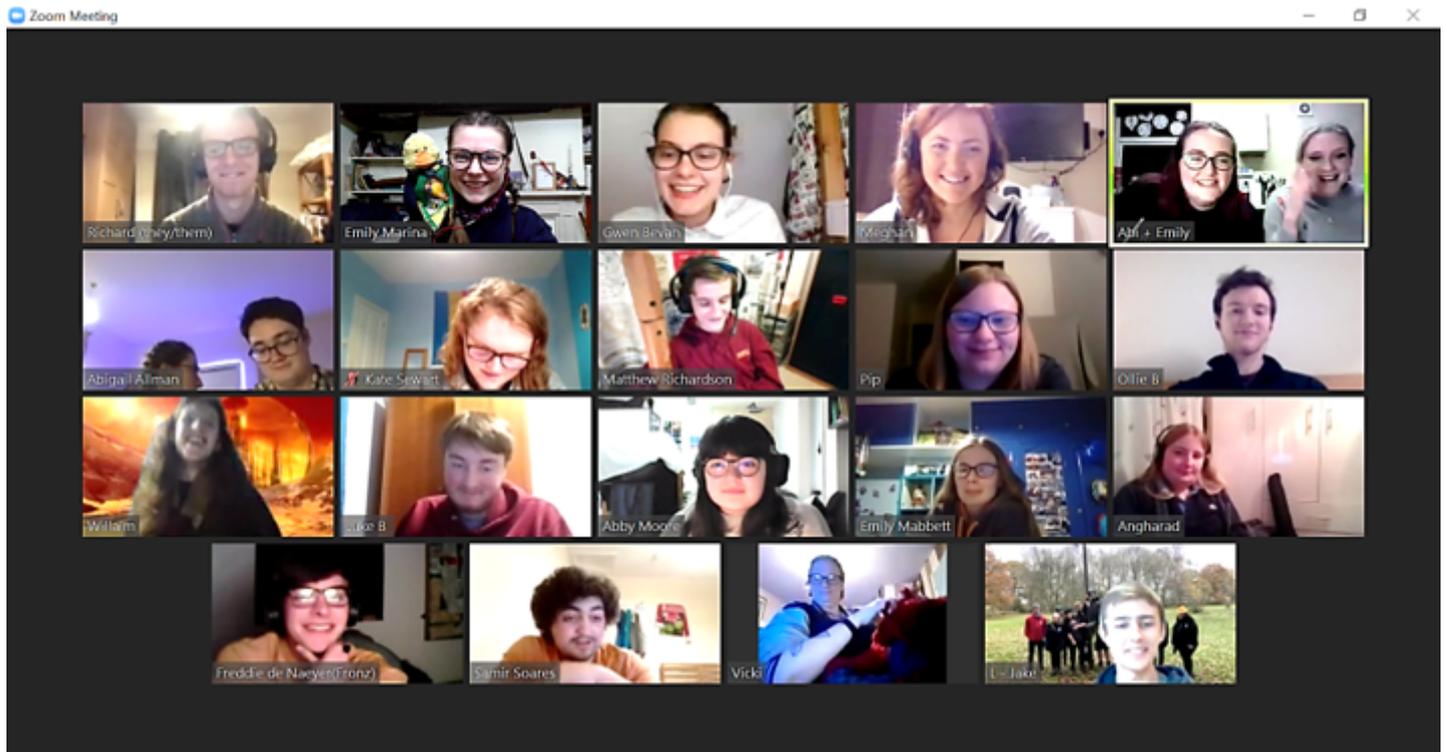

## Looking Forward

If our SU allows us, we intend to have an in-person meeting on the 26th May. Otherwise, we will remain online until the end of term.

## Handover
